**Computer Skills Placement Preparation**  
*Microsoft Windows 8 and Microsoft Office 2013*

The Computer Skills Placement portion of the Accuplacer consists of 70 questions on the concepts below. The questions are both hands on and multiple choice. A great site to review in preparation for this part of the placement test is: [http://office.microsoft.com/training](http://office.microsoft.com/training)  When you enter the site, choose the program you’d like to review and then select the 2013 videos and tutorials.
